

# Eisai Magnolia Meals at Home®

Magnolia® – Partners Along the Patient Journey embodies the Eisai *human health care (hhc)* mission of placing patients at the center of everything we do. Eisai's *hhc* mission states that "We give first thought to patients and their families, and to helping increase the benefits health care provides."

Magnolia Meals at Home® was developed to help meet the evolving needs of patients living with cancer and their families. Through a partnership with CancerCare®, Cancer Support Community®, Cornucopia Cancer Support Center®, and Meals on Wheels America, Magnolia Meals at Home provides meals that are nutritionally geared toward patients living with cancer and their families. The goal of the program is to help ease the stress of daily living, so that patients can enjoy shared moments with loved ones.

- Magnolia Meals at Home is currently available in and around Woodcliff Lake, NJ, Andover, MA, Raleigh-Durham, NC and New Haven, CT (as well as specific locations in New York, New Hampshire and Boston, MA)
- Patients who live within a predefined area of approximately 25 miles of these locations are eligible to enroll
  - They may sign up to participate for up to 2 months of meal deliveries
  - There are no requirements for financial need to participate
- Meals will be delivered once a month and will include up to 10 meals for the patient and up to 10 meals for their family members, if requested by the participant
