

Eisai Magnolia Meals at Home®

Magnolia® – Partners Along the Patient Journey embodies the Eisai *human health care (hhc)* mission of placing patients at the center of everything we do. Eisai's *hhc* mission states that "We give first thought to patients and their families, and to helping increase the benefits health care provides."

Magnolia Meals at Home® was developed to help meet the evolving needs of patients living with cancer and their families. Through a partnership with CancerCare®, Cancer Support Community®, and Meals on Wheels America, Magnolia Meals at Home provides meals that are nutritionally geared toward patients living with cancer and their families. The goal of the program is to help ease the stress of daily living, so that patients can enjoy shared moments with loved ones.
