

Magnolia *Meals at Home*[®]

**PROVIDING NUTRITIOUS
MEALS TO PEOPLE WITH
CANCER AND THEIR
LOVED ONES**

Magnolia Meals at Home[®]

Magnolia Meals at Home is a meal delivery program that provides a nutritious foundation for people living with cancer and their families. The goal is to help ease the stress of daily living so that patients can enjoy shared moments with loved ones. *Magnolia Meals at Home* is one of several Eisai Magnolia programs that aim to support patients and their families.

Magnolia: Partners Along the Patient Journey

Magnolia is the embodiment of Eisai's *human health care (hhc)* mission, designed to help meet the evolving needs of patients and their families. Novel among support programs, Magnolia places a high value on face-to-face interaction and socialization with patients. Magnolia is a unique, hands-on experience that reaches out to patients and their families, giving them a way to address their challenges while offering Eisai employees the opportunity to gain firsthand experience to inform the work they do.

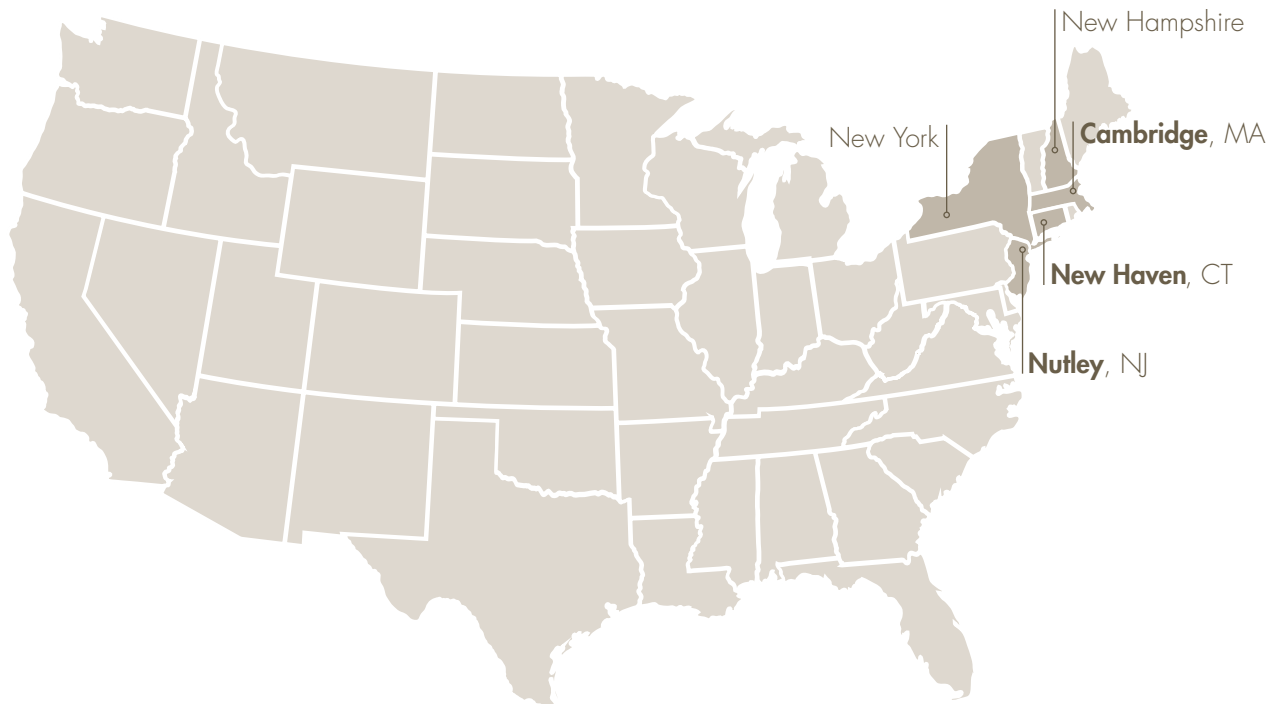

Advocacy Partners

To leverage the impact of the program, Eisai **developed partnerships** with key community and advocacy organizations.

Our partners identify people who fit the established criteria and may **benefit from participation** in *Magnolia Meals at Home*[®], and refer these individuals into the program.

Meals on Wheels reaches out to the program participants to **schedule meal deliveries** and **provide the meals**.

Regions Served

The program is currently available in and around Nutley, NJ, Cambridge, MA and New Haven, CT (as well as areas in New York, New Hampshire and Boston, MA).

As of April 2024

Who is eligible to enroll in *Magnolia Meals at Home*[®]?

To enroll in *Magnolia Meals at Home*, you must meet one of the following criteria*†:

- ✔ Currently undergoing chemotherapy, radiation therapy (excluding radioactive iodine treatment), hormone or targeted therapy, including immunotherapy
- ✔ Underwent surgery, chemotherapy, radiation or targeted therapy in the last 3 months (including immunotherapy)
- ✔ Have been discharged from a hospital in the last 3 months (admission was cancer related)
- ✔ Receiving adjuvant or neoadjuvant treatment (i.e., add-on therapy given before or after the main therapy)

***There are no requirements for financial need to participate in the program**

†Certain types of cancer may have specific dietary restrictions. Speak with your doctor before starting the *Magnolia Meals at Home* program to make sure the meals are right for you.

Enrollment in *Magnolia Meals at Home*[®] is simple and direct

STEP 1

CancerCare and Cancer Support Community will identify patients, determine their eligibility for *Magnolia Meals at Home*, secure their consent and enroll them into the program.

STEP 2

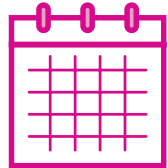

Patient name and relevant contact information will be provided to Meals on Wheels through the online enrollment system.

Meal deliveries will start soon after enrollment

[Click each icon below to learn more](#)

You will receive a call from Meals on Wheels to schedule a delivery date and verify your receiving address.

Meal deliveries will occur Monday through Friday during the day.

Meals are frozen and include an expiration date. The meals may also be refrigerated for several days, if necessary.

Each meal contains a list of ingredients, helpful for you or your family members who have food allergies or preferences.

An optional survey, along with brochures on support programs and other educational materials, may be included with meal deliveries.

Magnolia Meals at Home® participants share how the program has helped ease the stress of daily living

Hover over each quote box below to read how

“

You've made a very difficult situation just a bit better.

”

“

I enjoy preparing my meals but some days I'm too tired and *Magnolia Meals at Home* comes to the rescue. I am grateful for this program.

”

“

A wonderful respite to help make daily life easier.

”

“

The frozen meals taste just like a home-cooked meal. They are easy to reheat and offer a great variety.

”
